His Money.

William Sumner Wyse alleges hypnotic influence as the basis of an action was called in the Superior Court to-day Wyse's former prominence in business and club circles and Mrs. Wyse's high interesting story of Wyse's rapid decline from wealth to poverty, promise to make the case a sensational one.

was twenty years his junior. Wyse had as good business in the advertising line and made a great deal of money. He was a lying as the many dealers, and was well after the second and the Hoffman House and the uptown clubs and swell caffee. Wyee found himself almost home life for several years. There had been frequent quarrels and reconciliations. After one of their little differences, who, he says, immediately set to work to sever a separation on the grand of incompatibility and cruel restment. Wyee says that by a misunderstand. Marie Wyee was free, and Wyee casted the Wyee was free, and Wyee casted the Wyee was free, and wyee as an all furnished room at 153 Wyears ago Wyee brought suit by Wyee was induced to meet Mrs. Wyee with the case was called by didded Jacobs, counsel for Mrs. Wyee called Leitita to go ashore. While was almost hyponotic, signed a release, riving up all right and title to the property. When the case was called by didded Jacobs, counsel for Mrs. Wyee was the married to go ashore. While was induced to meet Mrs. Wyee was the married to go ashore. While was induced to meet Mrs. Wyee was the married to be the girl in the Wielden Leitita to go ashore. While was induced to meet Mrs. Wyee was the work of the Wielden Leitita to go ashore. While was many marked to be at Fayal, Azore Islands, and the work of the Wielden Leitita to go ashore. While was all to be the South Pacific, where some of the Mohican was an actives.

The mrs drown drown the things we set up the strutture of limitations as a did to be the structure of the Mohican was all to be the South Pacific, where we was the property was made. We ask Hour Honor to read if over carefully. When the st s good business in the advertising line and made a great deal of money. He

Motel. "Mrs. Wyse told me that she had in her possession certain bonds and property belonging to her husband. She said she wished to sell them and go to Europe on the proceeds without Mr. Wyse. The property was a house at 38 East Twenty-third street."

"Did Mrs. Wyse say anything about her husband's condition at that time?"

"She said that Mr. Wyse was an imbecile." answered Miss Kaye.

"What did Mr. Wyse think of Ms. Wyse."

"What did Mr. to see Wyse?"
"Mrs. Wyse told me that her husband thought she was the smartest woman in New York City, and that he had a great deal of confidence in her."
Lawyer Lamb said that it was about this time that Mr. Wyse gave his wife \$40,000.
"Mrs. Wyse frequently told me that "Mrs. Wyse frequently told me that she intended to get all of her husband's money and go to Europe. I tried to see Mr. Wyse, to tell him about it; but couldn't find him until about two months ago," continued Miss Kaye.

Mr. Wyse, a fine-looking, smooth-

shout two months ago," continued Miss Kaye.

Mr. Wyse, a fine-looking, smooth-schaven man, sixty-five years old, was placed on the stand. He testified that he was married in August 1873.

"Tid your wife have any property at that time"
"No, she did not," said Mr. Wyse.
"Did you support her prior to your marriage."
The question was objected to and the Court ruled it out.

Wyse said that 'on one occasion in 1890 his wife sot him to go of with her under the pratense that it was necessary to go to her lawyer's office on important business. She took him to the Equitable Life Insurance Company's office instead.

Office instead.

He asked her what she wanted of him then and she produced a tentine insurance policy on his life for £20,00, which she asked him to sign over to her. He refused at first, but she finally persuaded him to do so.

"Were you unable to resist her persuations?"

11 was.

11. the Winter of 1888 Mr. Wyse said that he went to California with his wife. They stopped at the Palace Hotel in San Francisco. One day on returning to the hotel from a short walk he found all his things moved from the apartments which they had jointly occupied to another nom.

daylight, and when I did I wanted to die. My wife said that my condition was such that I ought to transfer all my Wyse the related a little tale which his wife had told him about this time. "She said: I once knew a man who made lots of monet in were filled with him case, One night he came home with empty pockets and said: "Mere did you get that money" and I said. "Out of Friedrich Ernst, of Magde and provided and side, "Mary, I am a ruined man." Then Mary went to her deek and provided him to from the bank. The man said: "Where did you get that money" and I said. "Out of Friedrich Ernst, of Magde and provided him to transfer all his projectly to her, saying that he could trust her implicitly. At the time the transfer was made, he said, he was suffering from nervous prostration and completely under his wife. We have the gave a list of the property which he conveyed to his wife. Its total value was estimated at 182. We will be said she regretted the break in the relations which had existed between tiem, but, she added, "case any clothest of the break in the relations which had existed between tiem, but, she added, "case any clothest of the break in the relations which had existed between tiem, but, she added, "case any clothest of the break in the relations which had existed between tiem, and the to get a divorcer."

"Yes," answered Wyse, "she wanted me to commit acts which would enable her to get a divorcer."

"Yes," answered Wyse, "she wanted me to commit acts which would enable her to get a divorcer."

"Yes," answered Wyse, "she wanted me to commit acts which would enable her to get a divorcer."

"Yes," answered Wyse, "she wanted me to commit acts which would enable her to get a divorcer."

"Yes," answered Wyse, "she wanted to be a first to get a divorcer."

"Yes," answered Wyse, "she wanted to be a first to get a divorcer."

"Yes," answered wyse, "she wanted to be a first to get a divorcer."

"Yes," answered wyse, "she wanted to get to get the province of the province of the province of the province of the pro

man named Scott that Cleveland would be elected. "Yes, I also bet Shed Shook and Ed-die Smith \$1,000 to \$500 that Cleveland's plarality would be 100,000." It didn't arpear that this bet was made on the result in any particular

Myse said that he was not much of Wyse said that he was not much of an racehorses, but that he

Wyse said that he was not much of a better on racehorses, but that he had won as much as \$1,000 in a day at a race track. His wife, he said, knew all about this betting, as she used to accompany him to the race tracks before their marriage.

Wyse said he had been employed by Harper Bros. as an advertising agent and earned much money.

An adjournment was taken at 4 o'clock.

Pretty Stories She Told to Get at Police Could Not Find Her When Motorman's Carelessness Said to Loan May Be Increased to Give Estimate Based on the Working of the Vessel Sailed.

> LONDON, Feb. 4.-The mysterious schooner-yacht Mohican, from New York, is not lost, as reported in the inited States, unless she has met with disaster since Jan. 13, for on that date she arrived at St. Michael's, Azore

from New York in the latter part of gers, but eight of them were rescued November, with Dr. W. Conyers Her-ring, his bride of a few days, and a the windows of the car, which stood on young girl, Letitla Thompson, on board, end, and only partially filled with waaccording to general report. Miss ter. Thompson is said to have run away from

Thompson is said to have run away from home in order to take this cruise.

Considerable mystery attended the departure of the Mohican, and policement visited the yacht while she was lying at anchor off South Brooklyn and searched without success for the girl. She is said to have gone down the bay on a tug, and to have boarded the yacht just previous to the latter's leaving New York waters.

Dr. Herring is the son of William Herring, the promoter of the Georgia Central Railroad. He purchased the Mohican from George Flügeraid & Coof Boston.

The first wife of Dr. Herring was an English lady, who in November last, was granted an absolute divorce. Br

SHE HYPNOTIZED HIM YACHT MOHICAN AT AZORES. THREE LIVES WERE LOST. \$150,000,000 BONDS? CARLISLE'S SURPLUS.

New Yorkers a Chance.

Special to The Evening World) WASHINGTON, Feb. 1.-While \$100. 000,000 has been fixed as the minimum of the impending bond issue, the Administration has about decided to call as much as \$150,000,000. The reasons which have led to this de-

iston are manifold. Assistant Secretary Curtis brings back only favorable advices from New York. The prompt and cool-headed action of August Here of and his associates

in showing the Treasury Department how to place a bond issue in the most tration the cue to decisive action on sight of the biggest banking house in the word, the Rothschilds, standing read; to take the whole loan if necessary, has had a stimulating effect on the American bankers.

result of a keen competition for the most gilt-edged investment in the world. a big issue of thirty-year Government

The mawkish and finical attitude American bankers, who were pouting because Congress would not legislate on sound duancial lines, and who were more than half inclined to the over the house of cards and clean out the Treatury reserve, to their twn injury, as well as to the lasting discredit of the compast ten days.

The result is that now, instead of holding back, the American bankers are grumbing at what they call an open and shut game to give Belmont & Mr. Vilas (Dem., Wis.), from the

are grumbling at what they call an open and shut game to give Belmont & Co. and their associates the whole issue. Assistant Secretary Curtis kept out of the way of the grumblers all he could last week, but a few of them got at him and he was followed all over New York by the very men who the week before were vehemently declaring that the Treasury would get no more assistance from them. Falling to get any assurance from Mr. Curtis, they found a sympathetic listener in Assistant Treasurer Jordan, tuto whose willing ear they poured their grievance.

Was this whole loan going abroad at less than current 4s of 1907 were bringing in the open market, and at from 7 to 19 per cent, less than it was actually worth? It was not fair, they com-

pated.
This favorable turn in affairs is due latgely to 'wo men, August Belmont and Assistant Secretary Curtis, who has

Laws Now In Force.

WASHINGTON, 1'eb. 4 Secretar Carlisle submitted a letter of informasingles the gloomy forebodings as to lack of revenue to early on the Gov

inquiry adopted last week when Mr is rman (Dem.), of Maryland, urged by eriously crimiled condition of the Treas the point and estimates that the revenues for the current year will ex 22 x 22 yards, at need expenditures by \$22.562.023. The text

"In reply to Senate resolution of Jan. 1895, that the Secretary of the Treasurv be directed to inform the Senate what is the estimated deficiency in the revenues of the Government to pay current expenses between the 31st lay of December, 1894, and the 31st day of cash balance in the Treasury on he Scient to meet such deficiency, 1 have honor to state that from estimates 18th St., 19th St. and Sixth Ave. made upon the basis of laws now in aree, it is believed that for the twelve months ending Dec. 31, 1895, the rev

positive estimate of the ampleness of revenues.

Mr. Vilas (Dem., Wis.), from the Judiciary Committee, favorably reported the bill retiring Justice Howell Jackson from the United States Supreme Court bench, and asked immediate consideration of the measure. Mr. Aldrich, still holding Secretary Carlisle's letter, suggested that there were other things which would prevent the full consideration of this measure, and it accordingly went over. went over.

The House bill to establish a National military park at Cettysburg, Pa., was passed.

A resolution was agreed to calling or the Interstate Commerce Commission to furnish information as to contracts between the Canadian Pacific dalirond Company and American lines by which the former refrained from competing on freight and traffic in certain localities. The House bill was passed to regulate commerce on the great lakes and connecting waters as to lights, signals, &c. and to extend the international code already established. The Senate then resumed consideration of the District of med consideration of the siumbia Appropriation bill.

HUMILIATING TO FOSTER. Dismissal of Envoys Puts Ex-Secre

tary in a Bad Position. (Special to The Evening World.)

WASHINGTON, Feb. 4. State Departinsufficient credentials There is a deal of chuckling at the Department over the humiliating pothe Department over the humiliating position in which this leaves ex-Secretary of State John W. Foster, who was retained by the Chinese envoys.

It was felt here that his acceptance of such a position was betteath the digninty of a former Secretary of State, and P. is thought that he will fall to show proper resentment for not having been informed of the nature of the credentials if he does not at once throw up his commission. It is said that his fee was fixed at \$250,000.

There is, however, a feeling in Wash.

with the fearful weather which prevails will gradually see the strength and courage of the Japanese troops.

"When the opportune time comes a balf million Chinese are liable to pour in from a dozen directions in a night at tack and simply wipe out the Japanese army. It has been done time and time again in the world's history, and it is the only strategy which can hope to prevail against a force superior in arms and discibility. The Japanese Legation to-day received a cablegram from the Home Foreign Office giving the following explanation of the rejection of the Chinese peace commissioners:
